## YUUT ELITNAURVIAT CERTIFICATE PROGRAMS

In partnership with AVCP Inc. and LKSD, Yuut Elitnaurviat is holding a 90 day Residential Construction and Maintenance Certificate program at the same time as a 30 day Construction Laborer Certificate program for students from the region. Both programs should finish up before the end of May 2019, just in time for construction season.

In partnership with AVCP Inc., Yuut Elitnaurviat held 40 days of advanced welding training for previous Welding Certificate program students. The students fabricated a road grader that will fit in a conex and can be shipped to the villages. Check out the video on our Facebook page!

Yuut Elitnaurviat holds week-long Adult Basic Education Intensives throughout the year in order to help local students earn their GEDs. We had intensives in February and March which resulted in 4 graduates! Call 907-543-0951 or 907-543-0952 to start working on your GED.
