AVCP/YE Twelve Week
Welding Training
January 20 - April 26, 2015

Yuut Elitnaurviat's Twelve Week Welding Training is a partnership with AVCP, Inc.'s Transportation Department. Students from the villages of Chevak, Eek, Kipnuk, Kongiganak, Nunam Iqua, and Oscarville travel to Bethel for three 20 day sessions where they learn how to build boardroads for their villages. The students who earn their welding certifications will go on to be paid welders on the construction projects slated for their individual villages. The YK Delta benefits by having a pool of trained welders to pull from. The employer benefits by using local labor that has a vested interest in the project being completed correctly. The villages benefit by having local people earning money that stays in the village. The student benefits by gaining a lifelong career. Everybody wins!

Six Week Class A CDL Training
February 2 - March 16, 2015

Yuut Elitnaurviat finished another Six Week CDL training this quarter, with three students earning their Class A CDLs! In conjunction with AVCP Transportation we will be holding a training for students from Alukanuk and Napakiak in preparation for construction projects in their villages. Registration is now open for a six week CDL training session running from May 18 - June 26, 2015 for up to four (4) students. Tuition is \$6,000 a student (which does not include lodging or meals), but there is a STEP grant scholarship that brings the tuition down to \$2,000 for qualified applicants. Contact Gerry Graves at (907) 543-0978 or ggraves@yuut.org for more information or to request an application packet.

A photograph of two students in a workshop. On the left, a student wearing a black hoodie with 'KING'S' and a baseball cap gives a thumbs up while holding a yellow power drill. On the right, another student in a grey tank top and glasses leans over a workbench, also using a yellow power drill on a wooden board. The background shows shelves with various materials and tools.

**The next GED
Works Training is a
Construction Core
Class from May 12
- May 21, 2015**

Yuut Elitnaurviat's GED Works Program offers assistance in passing the GED Test Battery. We can also help students receive industry recognized credentials in the fields of Transportation, Healthcare, and the Construction Trades. If you are working on your GED or received your GED after July 1, 2012, contact the GED Works Program coordinator at (907) 543-0955 or send an email to kmccormick@yuut.org for more information and to see if you qualify.
