Construction Laborer Training

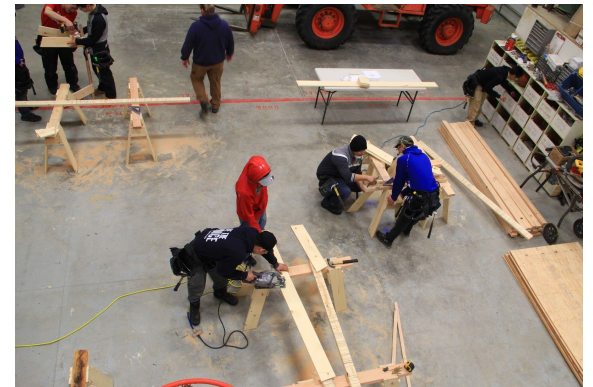

Application Deadline is September 25, 2020

Training Overview

The Construction Laborer Training program consists of 280 hours of training and will provide you with the training and experience to begin a new career in the fast growing construction field. This training program is taught using curriculum from the National Center for Construction Education and Research (NCCER) with certified instructors. Financial aid is available to qualified applicants. Call **Darline at AVCP at 543-7432** for scholarship information.

Training Schedule

- Oct 27-Nov 2, 2020:** Workplace Fundamentals
- Nov 3-9, 2020:** Electrical Maintenance Fundamentals
- Nov 10-13, 2020:** Maintenance Carpentry
- Nov 14-20, 2020:** Plumbing & Electrical Fixtures

Requirements

Must have a High School Diploma or GED (we can help with getting your GED), be a minimum of 18 years old, and be excited to learn!
