

Yuut Elitnaurviat

P E O P L E ' S L E A R N I N G C E N T E R

Striving to prepare local workers for higher wage jobs through career preparation and employment training programs

Request for Quote

11/06/2020

Yuut Elitnaurviat
Box 869
610 Akiachak Street
Bethel, AK 99559

Yuut Elitnaurviat is requesting quotes for annual maintenance on the following:

- 3 each - Bergey Excel 10 Wind Turbine
- 1 each - 10KW Solar Array
- 3 each - Inverter (Wind)
- 1 each - Inverter (Solar)

The system has been in service since 2012. It has had annual maintenance until 2018. Presently the system is in fault. When the fault is reset at the inverter it will remain on for an indefinite period before returning to fault/reset status.

Photos and Video are available at <https://yuut.org/turbinemaintenance/>

Scope of Work-

Annual Maintenance to include, but not limited to:

- 1) Tower inspection
- 2) Guy Wire inspection
- 3) Wind Turbine and Blade Inspection per Bergey Manual
- 4) Wiring/Cabling Inspection of Wind and Solar Array
- 5) Inverter Inspection and Test
- 6) Operation and Function Test

Yuut Elitnaurviat will supply on campus lodging and transportation to and from the airport and in town as necessary. Food delivery is available from many various restaurants.

Quote to include Travel and Maintenance as well as unscheduled (hourly) costs for unscheduled repairs as needed. Contractor will be responsible for bringing diagnostic and other equipment (Safety) as required to conduct maintenance.

References:

Please provide references pertaining to similar work on Bergey and Solar installations.

Due to the Covid 19 pandemic, a negative Covid test no earlier than 3 days before travel as well as City mandated Covid testing upon arrival at Bethel Airport are required.

Please submit quotes via email to:
