## Marine Welding Program

### Training Overview

The Marine Welding Program consists of 480 hours of training. For current welders who need hours for recertification, you may be eligible to attend the final course in this program. Financial Aid is available to qualified applicants. Call **Alfred at 543-0993** for scholarship information.

### Training Schedule

**Nov. 9-22, 2021:** Welding Safety and Theory

**Dec. 7-20, 2021:** Arc Welding and Basic Layout

**Feb. 1-14, 2022:** Marine Aluminum Welding and Fabrication Techniques

### Requirements

Must have a High School Diploma or GED (we can help with getting your GED), be a minimum of 18 years old, and be excited to learn!
